Mr. et

Hulford Lewis. Lost eight fingers in a factory a few weeks ago. He is just a boy, not more than 14 years.

ELIZABETH WATSON -About 35 and alone in Newark. Has a sister in Newark. Name Arnetta Watson. Does not know her address, says she lived on Lenox Ave. near 134 St. She would like for her to know that she is in the Hospital.

It was suggested that we have a Hospital Committee to visit the different Hospitals and visit the friendless patients. Mrs. Douglas said that she preferred that kind of visit, to home visiting and that she will visit Elizabeth Watson who is in St. Barnabas Hospital. She will visit her on Thursday and Miss Robinson will visit her on Tuesday. Mr. Ashby suggested that some cards should be gotten out with a few terse hints as to the care of house and garden, to be handed by the friendly visitor.
